INICIO

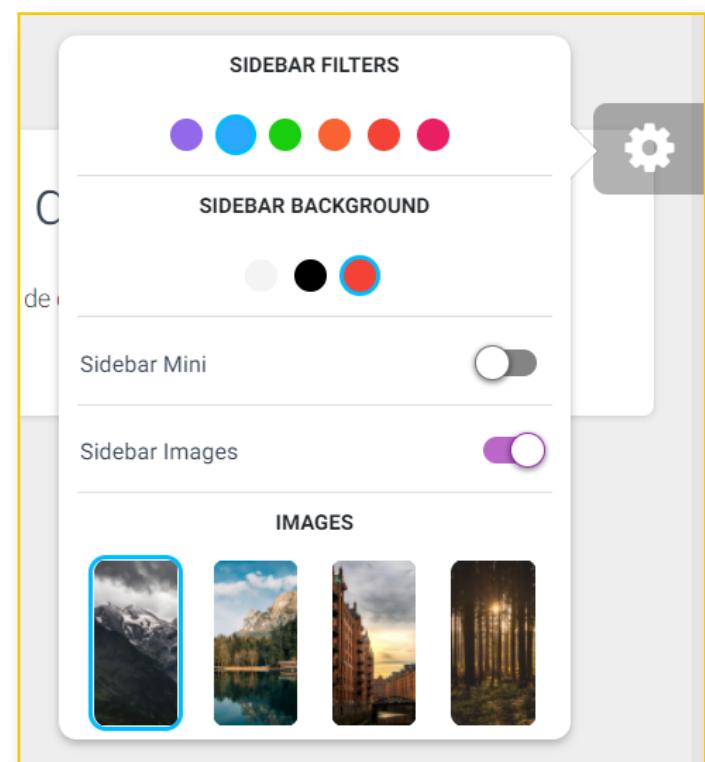

# 2 INICIO

1 Al ingresar al sistema podrá elegir el color e imagen de la barra lateral que más le guste, para ello debe presionar el ícono de ajuste en el costado derecho.

The screenshot shows the Walix system dashboard. On the left is a red sidebar with the Walix logo and a list of menu items: Creaciones Walix, Administración, Cuentas, Caja, Almacén, Egresos, and Venta. At the top right are navigation links for Dashboard, Search, and user notifications. A large central box displays a welcome message: "Bienvenido(a) al sistema de Vende Comida". Below it is a note: "En Caso de dudas, consultas o algún problema con el sistema, por favor de comunicarse con nosotros mediante correo electrónico a [soporte@walix.com](mailto:support@walix.com)". To the right of this message is a gear icon with a yellow border, which is highlighted with a yellow box. Below the message, a text box says: "Presione este botón para desplegar las opciones." At the bottom of the dashboard are links for CREATIVE TIM, ABOUT US, BLOG, and LICENSES, along with a copyright notice: "© 2022, made with ❤ by Creative Tim for a better web."

2 Aquí podrá elegir las opciones de color y de imagen que desee de acuerdo a sus gustos.

The screenshot shows a configuration interface for sidebar settings. It includes a title "SIDEBAR FILTERS" with a row of colored circles (purple, blue, green, orange, red, pink). Below it is a section for "SIDEBAR BACKGROUND" with three circular color swatches (light gray, black, red) and a "Sidebar Mini" toggle switch (off). Further down is a "Sidebar Images" toggle switch (on). At the bottom is a section titled "IMAGES" showing four image thumbnails: a mountain landscape, a lake, a city skyline, and a forest. A gear icon with a yellow border is on the right, and a yellow box highlights the gear icon in the sidebar configuration area.
